

DESTINY UPDATE: DESTINY STUDENT ENTRY FORM AND TOURNAMENT WAIVER 2018

Dear Sensei, Shihan, Master, Kru, Coach, Director, Etc.,

Please find attached the new look Student entry form for competitors to fill in which divisions they will be competing in before handing back to you at the dojo.

Please also find the competitor waiver form which each student or their parent must complete before handing both back to you.

PLEASE POST THESE FORMS ONTO YOUR SOCIAL MEDIA SITES, EMAIL COPIES OR HAND OUT PRINTED COPIES TO ALL YOUR MEMBERS AT YOUR EARLIEST CONVENIENCE.

These Waivers MUST be handed in to NMA at the Destiny package pick up on Friday the 28th of September.

It is very important to note that NO STUDENT MAY PARTICIPATE AT ANY DESTINY EVENT WITHOUT THE WAIVER FORM BEING ISSUED BY HAND TO DESTINY ADMIN CHIEFS.

THE PROTOCOL WILL BE AS FOLLOWS:

- Chief Instructor emails or issues the a printed **Student Entry Sheet** and **Student Waiver Form** out to all their members.
- The student completes the Entry Sheet by adding his/her personal particulars and inserting the **actual division** number of each division into the space provided.
- The student completes the Competitors Participation Waiver by adding his/her personal particulars and ensuring they (adult) sign it themselves or if under age ensure their parents sign it.
- The student then brings both back to Dojo where you process the entries onto your Pre Registration Sheet (see sample below)
- You ensure ALL WAIVERS (**NOT NEEDED TO HAND IN THE ENTRY SHEET ASWELL, JUST WAIVERS**) AT THE Destiny Package Collection night before the tournament commences, **Friday the 28th of September.**

VERY IMPORTANT: The continued introduction of two parameters namely the **Division Numbers** being entered and the Competitors **Personal ID or Passport number**.

- **ID NUMBER INCLUSION:** This **must** be the individual competitors ID number. It **CAN NOT BE** the parent or Instructors ID number. **All children who are issued with a birth certificate have ID numbers printed onto the birth certificate.** You don't have to be in position of an ID card or book to know or obtain your ID number. If you are not a South African Citizen, then you will need to insert your passport number. Why is this so important? We need the ID of each individual person to track him/her after the tournament with regards to Selections to the National Team should they qualify for Protea, Presidents or Development Colours.
- **DIVISION NUMBER:** This new entry inclusion is the first step towards our eventual fully functional online only registration in future. To find your division number for each of your divisions, we have come up with several methods to fast track results which will be explained in detail below. There are three options available to the student to allocate their correct division number.
 - **ONLINE OR EMAILED FULL LIST:** The most basic of all choices which will be a full division List of the event (In this case destiny) which you simply run through to find your division number. The listing is juniors first (All Divisions) then Seniors (All Divisions) <http://kickboxing.co.za/wp-content/uploads/2018-DESTINY-DIVISION-LIST.pdf> (WILL BE ONLINE AND ACTIVE OVER THE WEEKEND)
 - **ONLINE (WEBSITE) BASED ASSISTED LIST:** Simply go to our online division search URL which allows you to filter choices to end up with a minimal list applicable to you to find the correct division numbers you require to register with. <http://kickboxing.co.za/events/destiny/division-list> (WILL BE ONLINE AND ACTIVE OVER THE WEEKEND)
 - **ONLINE OR EMAILED FILTERED LIST:** This list has a wider selection to get to "applicable to you only" choices and would mainly be used by instructors to double check the division numbers entered by the competitor on the registration document handed to the dojo head for processing onto the dojo Pre-registration List.
